It is our joy this morning to witness the public profession of faith of James Bouma, Jenna Bouma, Jack Dykstra, Kobie Karhoff, Jack Noteboom and Caleb Smit. We praise God for his work in their lives!

## **From the Council:**

With no recent spikes locally, a steady decrease in the number of cases and more access and availability to vaccines we will begin to transition towards normal seating in the sanctuary. Starting this Sunday May 2, the northern 3 sections will be normal seating and the southern section will remain distanced seating. We will keep this seating arrangement through the month of May. Beginning Sunday June 6, we will plan to return to normal seating throughout the sanctuary.
