Family News

Pete Steggerda had a bladder biopsy and was found to have an aggressive surface cancer which was removed at the time of the biopsy. Pete will begin six weeks of treatment around Nov. 1. Pete and Marie are very thankful for early detection. Please pray that Pete’s treatments will go well and that they will be effective.

Please keep Ryne Brummel in your prayers as he and his family wait for biopsy results from a procedure he had on his esophagus last week.

On Sunday evening, October 17, after the worship service, there will be a barbecue with food and drink. All are invited for lots of good food and fellowship.

Dedication Service Choir: Four copies of the music are missing. Please check if you have one and return it to Connie. Thanks!
